2 EASY STEPS

FITS ANY SIZE WINDOW

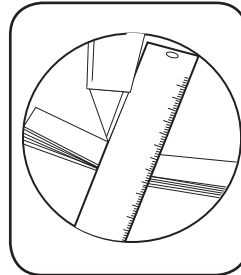

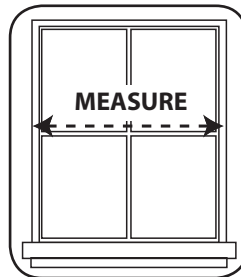

FOR SMALLER WINDOWS TRIM TO FIT AND FOR
LARGER WINDOWS OVERLAP TWO OR MORE.

AVAILABLE IN 36" (91.5cm) WIDTH BY 72" (183cm) DROP

1

For windows smaller than 36" (91.5cm) wide, trim the blind using a utility knife making several passes to cut through all the pleats. If necessary, trim the length with scissors.

For windows wider than 36" (91.5cm) overlap 2 or more blinds.

2

Peel the tape backing from the blind and stick to the window frame, glass or wall.

Should not be stuck to waterbased painted surfaces.

To open the blind, simply gather the pleats and secure with the enclosed clips.

CAUTION: These blinds are flammable. Do not use near an open flame (eg candle).
